TEAMWORK

focus

Our unique programs will give your team a chance to work together in a positive environment. Each program is customized to focus on the goals of your group.

Helping you achieve your goals.

CreatiVenture

Our CreatiVenture program is designed with the corporate world in mind. Tell us your goals, and we will fit you with a custom designed teambuilding adventure to fit your needs. Your CreatiVenture will be designed using the programs listed below, along with other options such as meeting space and a catered meal. Your team will feel motivated, creative, excited, and energized to work together in a new way.

Teambuilding

Experience a dynamic program customized to mesh leadership, communication, cooperation and problem solving skills. Join us for fun, creative activities on your journey to group cohesion.

Team on the Road

Why travel, when we can come to you? Invite us to your next meeting, or teambuilding day, and we will bring the excitement!

High Ropes

Get ready for the ultimate challenge! This obstacle course suspended from the ceiling will give your team a chance to work together and support one another. Team members will leave feeling a sense of unity and accomplishment.

Icebreakers

Add a spark to your next meeting... add us! We can create a fun environment at your meetings through our icebreakers program. Call for more details.
